

Our 'Commitment to Communication'

Understanding the Communication Needs of Parents and Partners

- We will carry out an annual Communication Survey each academic year and utilise this information alongside our experiences to review our 'Commitment to Communication'

Regular and Effective Pupil Reviews

- We will provide Pupil Attainment Data for all our pupils so that learning is readily shared and understood by all
- We will provide an outcome focused Plan that informs The Childs Plan
- We will share the individualised education and care planners
- We commit to do our very best to ensure there is clear communication around the needs of each young person
- We commit to completing the minutes of the review meetings swiftly, sending these to parents and other relevant professionals

Communication with Local Authority Partners

- We will provide a monthly Wellbeing report
- We will provide weekly updates as requested
- We commit to sustaining relationships of trust and respect with Local Authority partners
- We commit to following all of our Policies and Procedures
- We will listen to the views of Local Authority Partners in the shaping of our practice and in the ethos and implications of our approaches

Communication with Parents

- We strongly commit to an open door policy
- We commit to sustaining relationships of trust and respect with parents
- We will provide regular phone call updates from residences and school. We will also welcome parents to contact us if they would like a further update
- We work collaboratively with parents to share in their child's learning
- We work closely with our Parent Council and Parent Ambassador to ensure parents are aware of the most up-to-date information about the school
- We encourage parents to join us in developing our whole school curriculum learning experiences
- We will continue to commit to home school diary communications and regular parents evenings to share learning and discuss learning outcomes
